NAVAL NOTES.

Movements of Some of Uncle Sam's
Naval Vessels and Men.

The lighthouse station at the southern end of Mare Island was officially visited by Rear-Admiral John G. Walker on the tender Madrona on the 17th.

Carpenter George H. Warford has been detached from duty at Mare Island and ordered temporarily to the Olympia until that vessel reaches Asiatic waters, when he will join the Charleston.

The cruiser Olympia has received orders to sail for the China station August 15, when she will relieve Admiral Carpenter's flagship Baltimore, which vessel will return to Mare Island. The Olympia will undoubtedly be the finest flagship ever seen in Chinese waters. No warship of Great Britain or Russia, it is claimed, ever attached to the station equals the Olympia, either in speed or general efficiency. Of the cruiser type, she is admitted by all naval experts to be ahead of anything of her class, and will prove the most powerful flagship the United States has been represented by in Chinese waters.

Hood's is Good Makes Pure Blood

Scrofula Thoroughly Eradicated.

"C. I. Hood & Co., Lowell, Mass."

"It is with pleasure that I give you the details of our little May's sickness and her return to health by the use of Hood's Sarsaparilla. She was taken down with

Fever and a Bad Cough.

Following this a sore came on her right side between the two lower ribs. In a short time another broke on the left side. She would take spells of sore mouth and when we had succeeded in overcoming this she would suffer with attacks of high fever and expel bloody looking corruption. Her head was affected and matter oozed from her ears. After each attack she be-

came worse and all treatment failed to give her relief until we began to use Hood's Sarsaparilla. After she had taken one-half bottle we could see that she was better. We continued until she had taken three bottles. Now she looks like

The Bloom of Health

and is fat as a pig. We feel grateful, and cannot say too much in favor of Hood's Sarsaparilla."

MRS. AUG. DARROW.

WELLS, RICHARDSON & Co.,

Gentlemen:—I was very much run down, had no appetite at all, was very nervous, had no sleep night or day: to sum it all up, I was perfectly wretched. But thanks to Paine's Celery Compound I can now eat and sleep and work just as well as I could before I was taken sick. When I commenced taking the Compound I weighed 136 pounds; I now weigh 158 pounds and do all the work for my family of five. I have recommended the Compound to three families already and they are very much pleased with it. I am now taking my fifth bottle, and would recommend it to all who are suffering with stomach trouble or nervous trouble.

Yours respectfully,
MRS. AUG. DARROW.
